

ruby entertainment wedding feedback form

Dear Nicole & Jeff,

Thank you for entrusting me with the important task of providing the entertainment at your recent wedding reception. I hope the celebration was everything you envisioned and hoped for. It was an honour for me to play such an important role on your special day.

Now I want to know how I did! Your feedback is especially important to me. It allows me to take any and all criticism, and use it to hone my skills and improve my performance for future events. Secondly, with your permission, I would like to show your completed feedback form to future potential clients to help them make their own educated decision about hiring ruby entertainment for their wedding reception.

I would appreciate if you could take a few minutes and answer the questionnaire below and mail it back to me in the postage paid envelope provided.

Megan & I appreciate the tip! Enjoy Rome!
thank you,
best regards
